Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours ³	Minimum Institutional GPA
124	81	11	32	2.75

- Regardless of individual course grades, students must maintain a minimum 2.75 cumulative GPA.
- Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- The [Carolina Core](#) provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students. Although students may take up to 43 hours to meet all Carolina Core requirements, students in the P.E. program must complete two Carolina Core approved "overlay-eligible" courses in order to graduate on time and avoid summer courses or taking more than five courses in some semesters. The Carolina Core requires either two approved courses in one foreign language or a score of 2 or higher on the placement test. If a student in the P.E. program is not exempted from the foreign language requirement through the placement test, additional courses may be required to meet all Carolina Core components.
- Students must complete 10 hours in Psychomotor Skills, as described below.

Choose from the following:	
PEDU 105 – Weight Training (1)	PEDU 173 – Folk/Square Dance (1)
PEDU 126 – Badminton/Gold (1)	PEDU 194 – Educational Gymnastics (1)
PEDU 131 – Basketball/Soccer (1)	PEDU 195 – Educational Games (1)

- Information for the Praxis Core exam can be found on the College of Education, Office of Student Services [website](#).
- Must meet all professional program and internship admissions requirements by set deadlines prior to participation in these courses. Professional program and internship admission requirements can be found on the Bulletin.

Program Notes:

- Courses designated as "critical" (!) must be taken in the semester in which they are listed.
- All undergraduate students must take a 3-credit course or its equivalent with a passing grade that covers the founding documents. This course may fulfill any requirement in the program of study. Courses that meet this requirement are listed in the academic bulletin.
- If a student majoring in P.E. has two consecutive semesters of grade point averages below 2.75 and a cumulative GPA below 2.75, the student will be suspended from academic programs in the Dept. of Physical Education.
- Upon completion of 60 hours of course work, including courses specified by the Physical Education Program, the candidate may apply for admission to the Professional Program in P.E. For admission requirements to the Professional Program, please visit the Bulletin.
- Students in the Department of Physical Education may attempt to earn a satisfactory grade in a major course no more than two times.
- All initial teacher licensure programs in the College of Education require extensive field experiences in P-12 schools. All students must read and understand the rules and expectations outlined in the Preservice Teacher Education Clinical Experiences Manual. Prior to participating in school field experiences, students must have been cleared through a criminal background check and must have a negative test for TB on file with the College of Education.
