

Sips & Science

February 8th

Talks: 3 - 4:30pm

Social: 4:30pm

Hickory Tavern

Woodhill

141 Pelham Dr.

CAN faculty, trainees (staff, graduate, and undergraduate students), and anyone interested in autism & neurodevelopment welcome!

In an "open mic" framework, we invite researchers to share their thoughts on how their team quantifies behaviors (animal or human) in unique ways.

Sign up here!
